

## POSEY COUNTY SADDLE CLUB JUNE 2019 NEWSLETTER

First off I want to thank each and everyone that came out to spend Father's Day with us. Our June show was a success and some of the issues we had in our May show were fixed and none of them reoccurred. On Sunday, Father's Day, our numbers were down but the excitement was there. We could not have the success we have without each and every Volunteer. I can not thank you enough for your help no matter if you helped a little or a lot each one of you make each show work. Sincerely, Adam Knight

During our June meeting we discussed moving the jumps farther away from the timer. Originally we decided it would be set at 72 feet from timer to jump. Before the May show we moved it to 60 feet and after the show we decided it may not have been enough space. So we will now use the 72 feet distance from timer to jumps. We have also decided to put cones out to mark the timer.

We have the month of July off due to 4-H Fair. We hope you all enjoy the 4th of July and the local Fairs going on during the month of July. We will have our next meeting on August 15, 2019 at 7pm and encourage you all to come out and join us. Our meetings are located at the Junior Leaders booth next to the arena at the fair grounds.

**We are still in need of donations for the purchase of our Tractor.**
