Grounds Upkeep and Mowing

It's time to start thinking about mowing. Our club is responsible for the upkeep of the area around the grandstands and by the make-up arena. We are working on putting together a mowing, weed spraying and weed eating schedule for the summer. The club does have a lawn mower for mowing at the grounds, but you will need to bring your own weed eater if you plan to help with mowing this summer. If you are interested in lending a hand to for the grounds keeping, please contact Melinda Griffin at 812-202-1200.
