Meeting Business

We hope that you all have had a great summer! Congratulations to all the kids that participated in the Posey County 4H fair, we hope that you had a great week!

Thank you to those that have helped this year with the mowing and upkeep at the fairgrounds, your help does not go unnoticed. We received several comments during the fair, how nice the grounds looked!

The August meeting will have several things on the agenda for discussion. Please plan to attend. We encourage everyone to come out and participate! This is the only way our club can grow and all voices to be heard.

The points have been updated on the website through the June show.

Grounds Upkeep and Mowing

Our club is responsible for the upkeep of the area around the grandstands and by the make-up arena. Thank you to those that have helped mow this season so far! We appreciate all the help with keeping the grounds looking nice!! Check out the Facebook group for mowing schedule updates and volunteer opportunities. The club does have a lawn mower for mowing at the grounds, but you will need to bring your own weed eater if you plan to help with mowing this summer.

2022 Shows

There will be a volunteer sheet posted on the Facebook group the week before the show. Please sign up to help at the August show. This is to help make the show day run timely. We appreciate any feedback for making these improvements.
