Meeting Business

The October meeting will have several things on the agenda for discussion. Please plan to attend. We encourage everyone to come out and participate! This is the only way our club can grow and all voices to be heard.

This year the positions for Vice-President and Secretary will be due for elections. If you are interested in getting more involved with the club, please contact one of the current board members. If you are unsure what one of the positions does or is responsible for, we can help explain! Please reach out to Kourtney Burns, 812-319-1808 or Kourtneyburns@yahoo.com if you would like to be put on the ballot for Vice-President or Secretary.

Elections are held at the November meeting. Please be sure to put the meeting on your calendar. This meeting is one of the most important meetings we have throughout the year. The date for the November meeting is November 17th, 2022.

Another topic that will be discussed at the November meeting is the Show Bill. This is when changes may be made to the showbill. We would like to see members attend the October meeting to provide feedback in order for us to make any necessary changes to the Show Bill.

2022 Shows

The 2022 show season has come to an end. Our last show was October 1st. We had a great turn out of participants!! But most importantly, we had the most help from our volunteers to ensure that the show ran smoothly! It was great!! We would like to thank each one of you that has volunteered this show season with helping with the gates, English set up and tear down, keyhole, rope race, announcing, office duties, grounds upkeep, trash clean up, etc.!! You guys really stepped up to the plate this year and made our shows great!!
