

## **August Newsletter for the Posey County Saddle Club**

2020 may have started out rough for our show season but, by gosh, you would have never known it with the turn out we had for our first weekend!! Saturday is probably the biggest turn out we've had in years and Sunday wasn't too shabby after the hour delay. Thank you to all of our exhibitors and helpers for making the weekend so enjoyable! The memberships, sponsorships and support are what makes our little club so strong and we greatly appreciate it!

We understand that there are some hurdles this year with trying to be conscience of the coronavirus and the extra precautions to keep our shows safe but everyone is doing an amazing job.

### **August Show**

Our next show will be August 15<sup>th</sup> @ noon. Please be mindful of any updates due to weather and/or corona. Check the website or our FB page for any information including showmanship patterns if provided before the show. If you are able, go ahead and print out entry forms and have them filled out for the show. This just cuts down on time spent in such a congested area at the entry booth.

### **PA System**

Can ya hear me in the cheap seats way in the back?!? YES....the new PA system is in and announcements can be heard clearly all over the fairgrounds!! Also, the water wagon is finished and looks great!

### **Ground Maintenance Help**

We are in desperate need of help mowing our part of the fairgrounds. Areas needing mowed are from the ditch to the rock drive and from the road fence to the back of the barns. Please contact Melinda 812-202-1200 if you'll be able to help. If we could get several people then hopefully no one would have to mow more than twice a summer.

### **Next Meeting**

Our next meeting will be held at the arena on August 13<sup>th</sup> @ 7pm. We encourage everyone to come out and participate! If you are able to show up a little early to get trash cans set out, weed eat and just make sure things are together for the show, that would be greatly appreciated!

Any and all members are asked to be active in our meetings. This is the only way our club can grow and all voices to be heard.
